#### **LEGISLATIVE COUNSEL'S DIGEST**

AB 2671, Cook. Taxes: corporations: LLCs minimum franchise tax: exemption: Armed Forces.

Existing law, generally, imposes a minimum franchise tax of \$800, except as provided, on every corporation incorporated in this state, qualified to transact intrastate business in this state, or doing business in this state, and an annual tax in an amount equal to the minimum franchise tax on every limited partnership, limited liability partnership, and limited liability company registered, qualified to transact business, or doing business in this state, as specified.

This bill would, until taxable years beginning on or after January 1, 2018, exempt a corporation and a limited liability company that are small businesses solely owned by a deployed member of the United States Armed Forces, as specified, from paying the minimum franchise tax, or the annual tax, for the privilege of doing business in this state if the corporation or limited liability company ceases operation or operates at a loss, as defined.

This bill would take effect immediately as a tax levy.

*The people of the State of California do enact as follows:*

SECTION 1. Section 17941 of the Revenue and Taxation Code is amended to read:

17941. (a) For each taxable year beginning on or after January 1, 1997, a limited liability company doing business in this state (as defined in Section 23101) shall pay annually to this state a tax for the privilege of doing business in this state in an amount equal to the applicable amount specified in paragraph (1) of subdivision (d) of Section 23153 for the taxable year.

(b) (1) In addition to any limited liability company that is doing business in this state and is therefore subject to the tax imposed by subdivision (a), for each taxable year beginning on or after January 1, 1997, a limited liability company shall pay annually the tax prescribed in subdivision (a) if articles of organization have been accepted, or a certificate of registration has been issued, by the office of the Secretary of State. The tax shall be paid for each taxable year, or part thereof, until a certificate of cancellation of registration

or of articles of organization is filed on behalf of the limited liability company with the office of the Secretary of State.

(2) If a taxpayer files a return with the Franchise Tax Board that is designated as its final return, the Franchise Tax Board shall notify the taxpayer that the annual tax shall continue to be due annually until a certificate of cancellation is filed with the Secretary of State pursuant to Section 17356 or 17455 of the Corporations Code.

(c) The tax assessed under this section shall be due and payable on or before the 15th day of the fourth month of the taxable year.

(d) For purposes of this section, “limited liability company” means an organization, other than a limited liability company that is exempt from the tax and fees imposed under this chapter pursuant to Section 23701h or Section 23701x, that is formed by one or more persons under the law of this state, any other country, or any other state, as a “limited liability company” and that is not taxable as a corporation for California tax purposes.

(e) Notwithstanding anything in this section to the contrary, if the office of the Secretary of State files a certificate of cancellation pursuant to Section 17350.5 of the Corporations Code for any limited liability company, then paragraph (1) of subdivision (f) of Section 23153 shall apply to that limited liability company as if the limited liability company were properly treated as a corporation for that limited purpose only, and paragraph (2) of subdivision (f) of Section 23153 shall not apply. Nothing in this subdivision entitles a limited liability company to receive a reimbursement for any annual taxes or fees already paid.

(f) (1) Notwithstanding any provision of this section to the contrary, a limited liability company that is a small business solely owned by a deployed member of the United States Armed Forces shall not be subject to the tax imposed under this section for any taxable year the owner is deployed and the limited liability company operates at a loss or ceases operation.

(2) The Franchise Tax Board may promulgate regulations as necessary or appropriate to carry out the purposes of this subdivision, including a definition for “ceases operation.”

(3) For the purposes of this subdivision, all of the following definitions apply:

(A) “Deployed” means being called to active duty or active service during a period when a Presidential Executive order specifies that the United States is engaged in combat or homeland defense. “Deployed” does not include either of the following:

- (i) Temporary duty for the sole purpose of training or processing.
- (ii) A permanent change of station.

(B) “Operates at a loss” means a limited liability company’s expenses exceed its receipts.

(C) “Small business” means a limited liability company with total income from all sources derived from, or attributable, to the state of two hundred fifty thousand dollars (\$250,000) or less.

(4) This subdivision shall become inoperative for taxable years beginning on or after January 1, 2018.

SEC. 2. Section 23153 of the Revenue and Taxation Code is amended to read:

23153. (a) Every corporation described in subdivision (b) shall be subject to the minimum franchise tax specified in subdivision (d) from the earlier of the date of incorporation, qualification, or commencing to do business within this state, until the effective date of dissolution or withdrawal as provided in Section 23331 or, if later, the date the corporation ceases to do business within the limits of this state.

(b) Unless expressly exempted by this part or the California Constitution, subdivision (a) shall apply to each of the following:

(1) Every corporation that is incorporated under the laws of this state.

(2) Every corporation that is qualified to transact intrastate business in this state pursuant to Chapter 21 (commencing with Section 2100) of Division 1 of Title 1 of the Corporations Code.

(3) Every corporation that is doing business in this state.

(c) The following entities are not subject to the minimum franchise tax specified in this section:

(1) Credit unions.

(2) Nonprofit cooperative associations organized pursuant to Chapter 1 (commencing with Section 54001) of Division 20 of the Food and Agricultural Code that have been issued the certificate of the board of supervisors prepared pursuant to Section 54042 of the Food and Agricultural Code. The association shall be exempt from the minimum franchise tax for five consecutive taxable years, commencing with the first taxable year for which the certificate is issued pursuant to subdivision (b) of Section 54042 of the Food and Agricultural Code. This paragraph only applies to nonprofit cooperative associations organized on or after January 1, 1994.

(d) (1) Except as provided in paragraph (2), paragraph (1) of subdivision (f) of Section 23151, paragraph (1) of subdivision (f) of Section 23181, and paragraph (1) of subdivision (c) of Section 23183, corporations subject to the minimum franchise tax shall pay annually to the state a minimum franchise tax of eight hundred dollars (\$800).

(B) A corporation formed under the laws of this state whose principal business when formed was quicksilver mining, which is inactive and has not done business within the limits of the state since 1971, or has been inactive for a period of 24 consecutive months or more.

(3) For purposes of paragraph (2), a corporation shall not be considered to have done business if it engages in other than mining.

(e) Notwithstanding subdivision (a), for taxable years beginning on or after January 1, 1999, and before January 1, 2000, every “qualified new corporation” shall pay annually to the state a minimum franchise tax of five hundred dollars (\$500) for the second taxable year. This subdivision shall
